

STATE OF NEW YORK
COUNTY OF SARATOGA

NOW COMES BEFORE ME, Notary Public, Ernest Belanger, a person of the age of majority who is known to me or who has provided sufficient identification, who after being duly sworn, does depose and say.

That he has served as volunteer for the Blue Water Navy Vietnam Veterans Association (BWNVVA) since 2007.

I am a former Aerographer's Mate in the United States Navy who was qualified by the Navy to plot navigational charts. I reviewed Exhibit B constitutes an excerpt from a Department of State publication *Limits the Seas No. 99 Straight Baselines: Vietnam* published in 1983. I plotted the dashed line, 12 nautical miles seaward of the red baseline, which was printed on the chart. I also plotted the bold line showing the limits of the Vietnam Service Medal area.

Prior to 2002, personnel on ships entering the Vietnam Service Medal area were granted the presumption of exposure to Agent Orange.

Affiant further sayeth naught.
